## HAMILTON'S SMART SHOP

Never Before Have We Had a More Elegant Display

This season's models are creations of art, not only in style, but material and coloring. Our imported models in suits, gowns and hats are ready to be shown. The tailored shirt waists, in white and colors, are very smart. Dainty lingerie blouses in pale blue, pink and lavender are in vogue. No one need wear an unbecoming hat this season, as there are so many beautiful dress hats and smart tailored street hats.

Neckwear Is a Most Important Feature

and our buyer has devoted a great deal of attention to this line. The result is pleasing. We are showing Dutch collars in Irish lace and embroidered linens; also smart stocks, jabots and belts.
